STATE CHAMPS!

LqPV completes comeback for Class A Championship

by Sam Peterson

The Eagles were not in prime position after the first day of the Class A State golf tournament at Pebble Creek in Becker. LqPV trailed by 12 shots heading into the final day, but thanks to a 346 on the final day, the Eagles came out with a one shot victory for their third State Title in the last six seasons.

The Eagles just narrowly edged Fillmore Central by one stroke with a total of 696 to earn the top prize. RTR also competed as a team and finished eighth with a total of 841.

Isabella Jacobs was the highest finisher for the Eagles. She fired an 80 on the final day and placed fourth with a total of 165. Molly Halvorson and Kaitlyn Kittelson were not far behind in a tie for fifth with a total of 169. Halvorson fired an 83 and Kittelson shot 87 in the final round. The fourth score was from Grace Vacek, who tied for 40th with a total of 193 and a second round of 96.

RTR struggled on the second day. Shae O'Leary was the low player for the Knights in a tie for 32nd with a total of 189 and a second round of 91. Jenna Gossen and Teigyn O'Leary both tied for 69th with a total of 214. Gossen shot 102 and Teigyn O'Leary fired a 104 on the second day. The fourth score came from Izzy Thomas, who finished 80th with a total of 229 and a second round of 109.

There were also four individuals competing from the Camden Conference. Dawson-Boyd's Lindsey Lund was the low individual and holed out for eagle on the final hole to shoot 83 and put her in eighth with a total of 170. Blackjack teammate Alyssa Swedzinski finished 13th with a total of 178 and shot 86 on the final day. Canby's Kara Rangaard was tied for 22nd with a total of 185 and a second round of 97. The other individual was Katrina Velyan from CCS, who finished 51st with a total of 199 and a second round of 97.

Lakeview Lakers earn State Title by seven shots

by Sam Peterson

After a strong season and a conference title, the Lakeview boys golf team continued their tear into postseason play. After a close first day, the Lakers played really well in day two June 14 at Pebble Creek in Becker. After a 314 team total in the second day, the Lakers sealed off a seven shot win to earn the top spot in Class A.

The Lakers boys golf team played well in the first day of the Class A State Tournament, but only had a two shot lead over Walker-Hackensack-Akeley, the Lakers kept that cushion for the whole day and even extended their lead on their way to the title.

Carson Boe led the Lakers with a second round of 71 and was one of four players to finish under par with a two round total of 143 and a tie for third. Lane Arends fired a 76 on day two and his 155 total put him in a tie for 10th. Ethan Schwankl also carded a 76 and placed tied for 24th with a total of 158. Jordan Fischer was the last score used for Lakeview and he shot 91 on the second day. Fischer's total of 180 put him in 70th place.

The Camden Conference also had five players competing as individuals. LqPV's Carson Besonen was the lowest individual and shot 75 on the second day, including a hole out eagle on the final hole. Besonen finished eighth with a two round total of 152. RCW's Ryan Schrupp was not far behind in a tie for 10th with a total of 155 and a 76 on the final day. RTR's Chase Christenson tied for 43rd with a total of 167 and a second round of 83. Dawson-Boyd's Carson Stratmoen tied for 47th with a total of 169 and a second round score of 86. Will Chapin, of CCS, tied for 57th with a total of 173 and shot 86 on the final day.

Thank you and Farewell

First and foremost, thank you to all who have been with us - those who have been with us before the first paper and those who saw or heard and knew this was a newspaper for you.

This is not easy to write, and it hasn't been easy for any of us over the past few months thinking about how to go about it. But this will be the last edition of the Camden Recap.

When Adam Conroy first brought the idea of the Camden recap up to me I thought it was an amazing idea, one that would have a strong base of readers and an ability to grow that many other papers wouldn't be able to starting out brand new. He worked hard to get the groundwork laid for this endeavour, and when he had to back away to improve his health we worked on continuing that work.

The businesses and individuals who were there before we had a product... we wouldn't have had the opportunity to try and make this work without them. Those who joined along the journey kept our ambition strong to keep providing a quality paper that covers all the sports in the Camden Conference.

There were other newspapers that were helpful by providing pictures to games we were unable to attend, and a handful of parents who were very supportive in taking photos of their local team as well as other teams while at events to watch their children perform and play.

When we got to the point there wasn't enough funds to keep printing, we made the decision to go online and at least finish this school year's sports out.

It has made me sad every time I had to tell everyone that has called or came in that we couldn't provide them a physical edition any longer, and that we would have to wrap up the paper this year and not be able to go into the coming years.

The biggest issue we were unable to overcome was subscriptions. And while we didn't get enough to keep this alive, you all were the strong base that we knew was out there.

Thank you for joining us through this, we enjoyed the ride and wish it could have been a longer one.

Ryan Feiock

Sting bounce back with 11-0 win over Hinckley-Finlayson

by Sam Peterson

The Cinderella story of YME winning a State Title in baseball died June 13 with a loss to New Ulm Cathedral, but the season was not over for the Sting. Although the loss was not what YME had hoped for, they were still focused to make a strong push in the consolation bracket. At 10 in the morning, June 14 in Sauk Rapids, YME took out their frustration of the first round loss on Hinckley-Finlayson as the Sting dominated in an 11-0 win in five innings.

Cody Dahlager led the game off with an infield single, but the next two YME batters were retired. With two outs, YME took advantage of three errors, a batter hit by a pitch and two singles to score five runs and jump in front 5-0.

The Sting pushed out their advantage even more when a sacrifice fly from Jake Odegard scored Cody Dahlager in the top of the second to make it 6-0.

Hinckley-Finlayson threatened in the bottom of the second and had runners at first and second with no outs. Drew Almich battled his way out of the jam and recorded three straight outs to strand the two runners on the base paths.

After a scoreless third from both teams, YME was back at it in the top of the fourth. Dahlager scored his second run of the game off a Bryce Sneller single. Sneller then came around to score on a Nolan Hildahl double. Two batter's later, Landon Anderson reached on an error and Hildahl scored to make it 9-0 in the middle of the fourth.

Trying to get the game finished as soon as possible, YME pushed the lead to double digits in the fifth. A single from Dahlager scored Connor Fagen and a single from Nahum Tarin scored Tarrick Rupp to make the score 11-0.

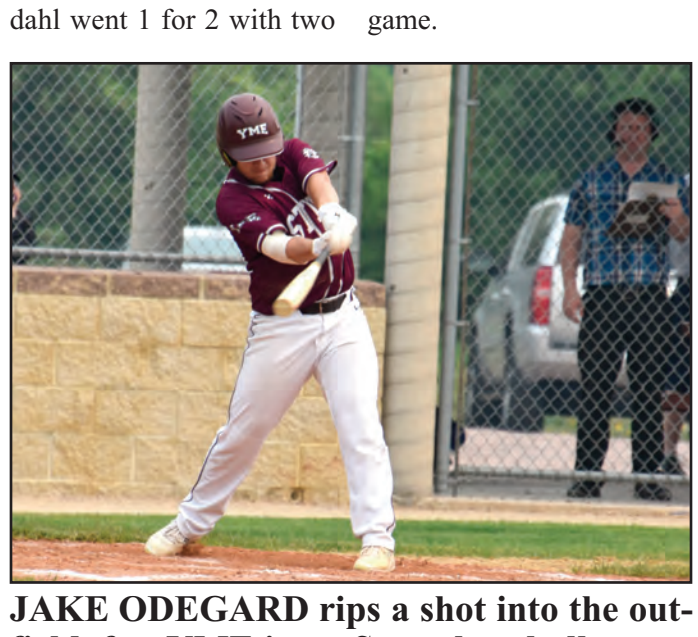

In the bottom of the fifth, Hinckley-Finlayson needed to score at least two runs to keep the game going. Almich was not messing around on the mound and three straight strikeouts sealed the game and gave YME their very first ever win in the State Tournament.

In a shortened game, YME still managed to tally double digit hits with 10. Dahlager led the team at the plate and was a perfect 3 for 3 with a double, three runs, two steals and an RBI. Sneller also had a multihit game and finished 2 for 3 with a run and an RBI. Hildahl went 1 for 2 with two runs and an RBI. Tarin chipped in by going 1 for 1 with an RBI. Odegard was 1 for 2 with two RBI and a run. Almich finished 1 for 3 with an RBI and a run. Connor Fagen went 1 for 3 with a run.

Almich was dealing on the pitching rubber. He pitched all five innings and gave up no runs off just three hits, two walks and struck out nine, including the last three batters of the game.

Sting dropped in opening State game against NUC

by Sam Peterson

YME punched their ticket for the first time with a win over RTR in the Section 3A title game. The State appearance was the first in the history of YME baseball, and they were rewarded with playing the No. 2 seed New Ulm Cathedral in the opening round game June 13 at Joe Faber Field in St. Cloud. The Greyhounds had their way with the Sting and sent YME into the consolation bracket with a dominant 7-0 win.

Coming into the game, New Ulm Cathedral had a record of 13-4 and were the No. 4 team in Class A.

Both teams took some time to get the State Tournament jitters out of their system with the first two innings going by without a run scored by either team. New Ulm Cathedral finally broke the stalemate with one run in the bottom of the third.

YME still hung with the Greyhounds, trailing by just one run, until New Ulm Cathedral broke the game open in the bottom of the fifth. The Greyhounds batted around with 10 players stepping into the batter's box. They racked up six runs in the fifth to take a 7-0 advantage with two innings left.

Try as they might, YME could not mount any sort of comeback in the final two innings. The Greyhounds trotted their way to a 7-0 victory over YME in the first round of the Class A State Tournament.

New Ulm Cathedral did not hit the cover off the ball, by any means. They only finished the game with a total of five hits, but six walks and a YME error allowed the Greyhounds to maximize their five hits and scored seven runs.

The Sting only had a total of two hits in the entire game. Both hits came from Cody Dahlager and he finished 2 for 4 with a double. The Sting did manage to gain baserunners through walks with Braden Nelson, Bryce Sneller, Drew Almich and Tarrick Rupp all drew one walk. The Sting could not take advantage of any of their seven baserunners and left them all stranded.

On the mound, Sneller took the mound and pitched the first four and two-thirds innings. The Greyhounds scored seven runs off Sneller, but only one of them was earned. He allowed four hits, six walks and struck out five. Nick Moritz recorded the final four outs and gave up no runs off one hit.

YME places sixth in Class A with loss to South Ridge

by Sam Peterson

After a loss in the first round, and a win in the first round of the consolation bracket, YME played South Ridge in the Class A fifth place game at the State Tournament in Sauk Rapids June 14. The Panthers were a tough opponent and thanks to a strong last three innings, they took down YME to earn fifth place with a 5-1 victory.

The South Ridge Panthers came into the State Tournament with a record of 22-4. That sparkling record was enough to get them the No. 1 seed in the tournament, but they were upset by BBE 2-1 in the first round and dropped into the consolation bracket.

Both teams were coming off some pretty convincing wins in the first round of the consolation bracket. YME took down Hinckley-Finlayson 11-0 and South Ridge beat down Legacy Christian Academy 12-2.

The pitchers had the upper hands in the first couple innings, with neither team scoring. YME was the team to break the ice when a single from Braden Nelson scored Cody Dahlager to give YME a 1-0 advantage in the bottom of the third.

That YME lead did not last long as South Ridge came back to tie the game with a run in the top of the fourth.

The Panthers jumped in front for the first time in the top of the fifth. South Ridge put up two runs in the fifth to make it 3-1.

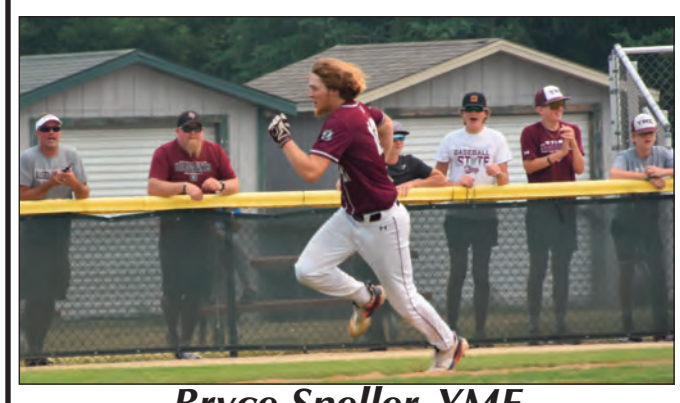

South Ridge kept chugging along on offense and added a run in the sixth and another in the seventh to make it 5-1 with just half an inning to play.

YME needed at least four runs to stay alive, but they were sent down in order for the fourth straight inning to end the game with a four run win for South Ridge.

The Sting were held pretty well in check on offense and only finished the game with a total of three hits. Dahlager, Nelson and Bryce Sneller all finished the game 1 for 3. Dahlager added a double, the only run of the game and Nelson had the only RBI of the contest for YME.

Dahlager got the start on the mound for YME and pitched the first six innings of the game. He gave up one earned run off eight hits, three walks and struck out six. Jake Odegard pitched the final inning and allowed one run off two hits.

Baseball Runner Up Player of the Week

Bryce Sneller, YME

Sneller was one of the leaders at the plate at State, finishing 3 for 8 with an RBI and a walk. He also pitched four and two-thirds, allowing one run off four hits, six walks and struck out five.

LqPV girls trail by eight after day one

by Sam Peterson

The Eagles put themselves behind the eight ball after a 350 team total in round one of the Class A State Tournament at Pebble Creek in Becker June 13. LqPV trailed Fillmore Central by eight shots after the first day, but LqPV kept themselves within striking distance on day two.

After day one, Fillmore Central led the tournament with a score of 342. LqPV was in second with a 350, six shots ahead of Legacy Christian Academy. RTR was also competing as a team and they were in seventh with a total of 435.

There was a bit of a shake up in the scores for LqPV, with somebody other than Isabella Jacobs or Molly Halvorson shooting the low round. Kaitlyn Kittelson led the Eagles and was fifth after the first day with a round of 82. Jacobs was tied for sixth with an 85 and Halvorson was eighth by shooting 86. The fourth score came from Grace Vacek, who tied for 38th by carding a 97.

For RTR, Shae O'Leary was the low golfer in a tie for 40th with a round of 98. Teigyn O'Leary was next for the Knights and her round of 110 put her in 70th. Jenna Gossen fired a 112 and was tied for 72nd. The fourth score came from Zoey Williams with a 115 and she was tied for 75th.

There were also four individuals from the Camden Conference playing their first rounds. Dawson-Boyd's Lindsey Lund led that group in ninth by shooting an 87. Canby's Kara Rangaard was tied for 10th with a round of 88. Another Blackjack in Alyssa Swedzinski was tied for 16 after a first round of 92. Katrina Velyan, of CCS, was tied for 54th by shooting 102 in the first round.

Player of the Week

Carson Boe, Lakeview

Boe led the Lakers at the Class A State Tournament by finishing tied for third with rounds of 72 and 71 to help his team win the team title.

Lakeview Lakers lead by two after opening round at State

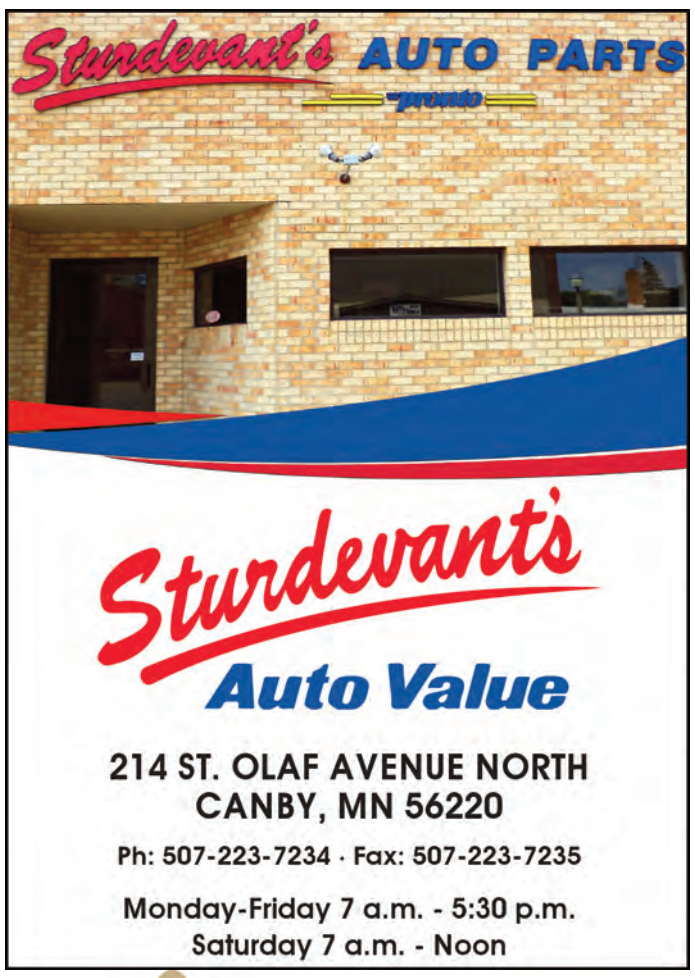

by Sam Peterson

The Lakers have had an outstanding boys golf season in 2023 and that continued in the first round of State. Lakeview slept on a lead after the first round of the Class A State Tournament at Pebble Creek in Becker June 13. The Lakers still needed a strong second day, as they only held a slim two shot advantage.

After the first day of play, Lakeview shot a 322 to lead the tournament as a team. Walker-Hackensack-Akeley was just two shots behind, Fillmore Central was nine back and Fertile-Beltrami trailed by 10 strokes.

Carson Boe paced the Lakers, as he usually does. After the first round, Boe was in a tie for second by shooting an even par 72. Lane Arends was sitting in a tie for 16th by breaking 80 with a 79. Ethan Schwankl was tied for 30th with an 82. The fourth score came from Jordan Fischer who was tied for 67th with an 89.

The Camden Conference had five other golfers competing as individuals at State. LqPV's Carson Besonen led that pack and sat in a tie for ninth with a round of 77. RCW's Ryan Schrupp was tied for 16th by carding a 79. Dawson-Boyd's Carson Stratmoen was tied for 34th with a round of 84. RTR's Chase Christianson ended the day tied for 40th with a round of 84. Community Christian School's Will Chapin was tied for 57th by shooting 87.
